ROOKIE BANGERS 2012

ROOKIE BANGERS was successfully launched in the 2011 season.

Open to celebrity drivers and new drivers that have not raced in any other adult class at Onchan Raceway.

We plan to run Rookie Bangers at alternate meetings throughout the season, (the opposite meetings to those which feature Production Rods).

Rookie Bangers will :-

Follow the same spec. as regular Bangers.

Drivers will score points towards a separate Championship (sponsored by Energy Fm).

Grid positions will be determined by points scored in each race and reversed, the same dutch format that the Formula 2s and Production Rods use.

The top 2 point scoring drivers at the end of the season must retire from Rookie Bangers and progress to one of the other adult classes.

Drivers may change to another class anytime during the season, but once they have competed in 3 or more meetings they cannot return to Rookie Bangers.

Rookie Banger drivers must be aged 16 or over.

The first Rookie Banger races will take place on Monday 7th May.
